00:56:34 charmaine crockett: Agreed, Pris Munson.
00:56:42 Franklin LaVoie: The Dead bequeathed this world to generations, and our generations have dropped the ball, lost the mandate about passing on the earth in a more pristine condition than we found it.

00:58:16 Pris Munson: Crisis is an evolutionary driver!
00:58:21 PIA OSSORIO: that is beautiful. The SOUL is the connective tissue of the World.
00:58:51 Pris Munson: Right on! Super juicy!
00:58:53 Pris Munson: Yes!'
00:58:57 Richard Page: Story!

00:59:41 Franklin LaVoie: The story is a vessel, a container of soul and truth, it has prana and chi from the otherworld.
00:59:48 Pris Munson: Yes! Thank yoU!
00:59:59 Robyn Morris: Yassss

00:59:59 James Ziegler: Love the story, yes the one that you need to tell. Big thanks

01:01:09 Franklin LaVoie: Creator

01:03:26 Vijay Dhar: Strangely April National Geographic paints two scenarios for 2070 – this crisis should force us to pause and find our home – first scenario in NG "how we saved the world"

01:06:10 Margaret Babcock: Maybe we will learn different ways to "touch" each other

01:06:25 heather love: "maybe we need to stand a little longer in the darkness..."

01:06:30 Pris Munson: Exactly!

01:06:37 Charlespippi Barbieri: Yes– we are ALL connected in our isolation!!!

01:06:45 James Ziegler: Yes the hands are symbolic mythical hands of our consciousness

01:06:52 Pris Munson: The old is over.

01:06:53 Inge Vandecaetsbeek: We can heal via energy healing. This can be performed on distance, without physical touch. Like shamans do

01:06:57 Jane Anderson Gitter: we are dreaming and weaving a new Healing

01:07:00 sj: Whose chant was it?

01:07:03 charmaine crockett: On a larger level, we need to heal the economic system; that we can start to do now by examining our relationship to economics, to nature, etc.

01:07:26 Franklin LaVoie: An old world age in decrepitude; a new world age is crowning. A twilight paradox.

01:07:37 Lisa Breschi: Yes... we need a better world view. Imagination creates and heals.

01:07:38 Vijay Dhar: Heal the planet – remedy may be in NG April issue – it has some of the proof of concepts of compassion in practice (e,g, page 8)

01:07:40 Margaret Babcock: We must remember music/ song!

01:07:43 James Ziegler: Healing on on levels

01:07:58 Sarah Anders: Thanks for the references to NG . Will check out.

01:07:59 heather love: wow

01:08:04 Robyn Morris: Thank you! So moving

01:08:20 Lesley Hughes: soooooooooo moving

01:08:21 Robyn Morris: Keep going

01:08:22 Pris Munson: We never left that story! It just got clothed and in post modernity's focus away from love.

01:08:25 charmaine crockett: Thank you Michael.

01:08:28 Jackie Goodman: wow! beautiful -- thank you!

01:08:31 Ines Seidel: thank you for this story <3

01:08:40 Franklin LaVoie: The Otherworld is the imaginal realm, and the imaginal realm has been discarded as "not real", but that's a fallacy.

01:09:00 Haimanti Bhattacharyya: thank you for this story.
01:09:05 Pris Munson: Thank yoU!
01:09:31 heather love: "[truth] comes from a different place than the factual world."
01:09:34 Pris Munson: Oh yea, this is a deep Initiation!
01:09:37 Franklin LaVoie: The irrational is difficult , as well as essential to our experience of the soul.
01:09:47 Lisa Breschi: Collective Rite of Passage!
01:09:51 Julia Heyman: Yes!!
01:09:53 Haimanti Bhattacharyya: loved the way you explain the mythology. so positive. never thought before like this way.

01:10:07 Jane Anderson Gitter: me too I've been waiting waiting
01:10:15 donna Freiermuth: Me too
01:10:39 donna Freiermuth: Don't we need leaders?
01:10:46 Franklin LaVoie: Climate Crisis is like an Atlantean myth in which we find ourselves inextricably caught.
01:10:50 Gillian Shelley: we are the leaders :)
01:10:53 Jane Anderson Gitter: we are awake
01:10:58 Steve Daut: Climate change is not just big, it's slow motion. That's why some can deny it
01:11:00 James Ziegler: We have been waiting and quietly send our love for many years
01:11:03 Jeff Jensen: Thank you. Dreams & myths both seem to teach us things using a fantastical language with its own separate spiritual syntax...
01:11:05 Charlespippi Barbieri: we are leaders- where we live and work- this is where change will come first
01:11:05 Niteen Gupte: Michael is truly a born storyteller in the tradition of master storytellers in tribes all over the world.
01:11:09 Pris Munson: Everything is connected, related, sacred! Always has been. Always will be. Something HAD to break the dam of stagnation! Wake up wake up wake up and don't go back to sleep!

01:13:06 Marian Boyle: When we come out on the other side of the coronavirus crisis we could become known as the new "Greatest Generation ".
https://www.investopedia.com/terms/t/the_greatest_generation.asp
01:13:10 Franklin LaVoie: The Me Too Movement has a relationship to the

missing relationship to the Otherworld, because the ancestors are there, truly.

01:13:11 Carlos Pinho - Brazil: Hello Kala :D

01:13:12 heather love: individually we are separating from each other, but collectively we are separating from a system we can no longer deny is destroying the planet

01:13:27 Pris Munson: The Great Turning... The Great Awakening... We are totally capable of handling this!

01:13:40 Vijay Dhar: This crisis picked its time - jolted us in April - the "Earth Month"

01:13:43 Pris Munson: Absolutely shamanic!

01:13:47 Franklin LaVoie: The Soul is Imagination, the doorway to the otherworld.

01:14:08 Pris Munson: Becuase how else will we mature?

01:14:25 Sue Ruchkall: I think to say that these things are doing it for "us" is a stretch and possibly part of the issue. The looking at life as being there for us rather than us as a part of life and listening to what life wants.

01:15:12 Inge Vandecaetsbeek: it sounds like Chiron, the Wounded Healer

01:15:25 Gillian Shelley: THE DESCENT!

01:15:36 Margaret Babcock: Yes, Sue. Life IS for us.

01:15:36 Franklin LaVoie: I believe Chiron mediates between the Twilight of each World Age.

01:15:50 Pris Munson: Separation/Ordeal - Return - Confirmation/Share - Expand/Grow

01:16:07 heather love: so many are cycling through the retraumatization of separation and ordeal searching for their proper return to and validation by community

01:16:08 Inge Vandecaetsbeek: That's nice how you put that Franklin

01:17:27 Richard Page: Kept the straw (thresh) from spilling out the door...

01:17:33 maria quercia: so that happened now because now is the time where most of part of the people from differrent way have overview , awake the conciscjence ... is a long time that happened , with the help of all ancestral message from the past, the present and the future. 01:19:12 sherry amapour: death/rebirth=transformation

01:19:22 Pris Munson: Are we Expanding or Contracting?

01:19:34 Pris Munson: IT IS!

01:19:36 Franklin LaVoie: In the next 5 years Saturn and Pluto will be dancing with Aquarius ,initiating a 200 year cycle of generations influenced by the AIR signs, after we leave the last 200 years of generations born in an EARTH sign influence.

01:19:38 Lisa Breschi: Come through smaller... or come through a bigger SOUL! i know where this group wants to go :)

01:19:50 uschi m: crisis transforms: contraction or expansion

01:20:06 heather love: whoooooooooooooooooooooooooooo

01:20:10 Jane Anderson Gitter: Van Morrison's Standing on the Threshold

01:20:40 Franklin LaVoie: Archetypal forces are planets in the heavens, as well as metals in the earth, in our chemistry cooked in stars.

01:20:42 Pris Munson: The unveiling of what has been veiled.

01:20:55 Pris Munson: And being willing to not yet know

01:20:55 Jane Anderson Gitter: aho

01:20:59 Steve Daut: Whats wrong with remaining in the unknown?

01:20:59 Haimanti Bhattacharyya: what a beautiful talk.
